I. Basis of assessment of Member States' contributions to the United Nations Military Liaison Team in Cambodia for the period from 15 November 1993 to 15 May 1994[1]

A. 15 November 1993 to 15 May 1994

1. By its resolution 880 (1993) of 4 November 1993, the Security Council decided to establish the United Nations Military Liaison Team in Cambodia (UNMLT) for a single period of six months.

2. By its decision 49/485 of 12 July 1995, the General Assembly decided to apportion among Member States, as soon as possible and in accordance with the Financial Regulations and Rules of the United Nations, credits resulting from the unencumbered balance of 293,900 United States dollars gross (281,800 dollars net) for the period from 15 November 1993 to 15 May 1994 and the accrued interest and miscellaneous income of 81,506 dollars in the Special Account for UNMLT.

3. The amount so authorized by the General Assembly was apportioned among Member States in accordance with the provisions set out in paragraphs 4 to 7 below. The assessment is shown in section IV below. The apportionment was executed in two parts so as to take into account the provisions of Assembly resolution 47/218 A of 23 December 1992 and Assembly decision 48/472 A of 23 December 1993.

B. Apportionment of the costs of peacekeeping operations

4. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups:

A. The States permanent members of the Security Council;

B. Specifically named economically developed Member States that were not permanent members of the Security Council;

C. Economically less developed Member States; and

D. Economically less developed Member States that were specifically named.

The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

5. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 160 per cent plus the amounts not otherwise apportioned.

6. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on

[1] Credits from unencumbered balance and accrued interest and miscellaneous income.

the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

7. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peacekeeping operations financed through assessed contributions, including UNMLT. The composition of the four groups of Member States has changed repeatedly since 1973, however, as a result of the admission of new Member States and decisions contained in various General Assembly resolutions, the latest of which was resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992, and its decision 48/472 A of 23 December 1993. The percentage shares shown in section IV below demonstrate the results of the application of the scheme using the scale of assessments for the period from 1992 to 1994, adopted by the Assembly in its resolution 46/221 A of 20 December 1991 and adjusted in accordance with its decision 47/456 of 23 December 1992 and its resolution 48/223 A of 23 December 1993.

II. Recapitulation of the basis of assessment of Member States' contributions to the United Nations Military Liaison Team in Cambodia for the period from 15 November 1993 to 15 May 1994[1]

8. Under regulation 3.2 (e) of the Financial Regulations of the United Nations, adjustments shall be made to the assessment of Member States in respect of Members' credits in the Tax Equalization Fund estimated to be not required to meet charges for tax refunds for the financial period from 15 November 1993 to 15 May 1994 (in United States dollars):
